How to Assign an Item or Curriculum to a single user

You can do this from the User or Item/Curriculum details.

1. From the User: Find the user you wish to assign items to.

   1. Select Learning Administration from the drop-down menu
   2. Click People in the left-hand menu to expand
   3. Click Users
   4. Search for the user
   5. Click the User ID, which is hyperlinked.
1.1 Under Actions, Click Manage Assignments

1.2 Select what you need to add. In this example, we select Add Item and click Next

Step 1: Select Management Action

- Add Curricula
- Add Items
- Add Job-related Curricula
- Remove Curricula
- Remove Items
- Remove Surveys

1.3 Click Add to select your User and click Next

Step 2: Select Users

* = Required Fields

Add Users

Enter User ID or add one or more from list.

* User ID: [Enter User ID]

1.4 Now browse to find the Item you need to add

Select Items for Adding

Enter 'Item ID' and 'Item Type' or add one or more from list.

* Type: [Enter Item Type]
1.5 Search for your item

If you don't have the options shown, click the Add/Remove Criteria arrow and select your desired search fields.

**Search Items**

Enter a value for each field that you want to use to filter your search. Some fields allow you to select from a list of values, or add or remove search criteria to further refine your search.

- **Keyword:**
- **Search All Locales:** Yes [ ] No [ ]
- **Item ID:**
  - Starts With ▼
  - Contains ▼
- **Item Title:** macaque
