Knowledge Link—the University and Health System online learning management system—will feature an updated interface beginning this December. This document will highlight the updates and new features.

- An updated look and feel on the ‘My Team’ tab for Managers.
- Enhanced search feature with a more intuitive search engine.
- Configure the layout of your home screen by dragging and dropping the tiles into a desired position.
- Expand or collapse tiles to control how much information you see.
- View more information at a glance on your learning plan.
- Other user, manager, and administrative functions will remain the same.

For more information on Knowledge Link navigate to [http://knowledgelink.upenn.edu](http://knowledgelink.upenn.edu), or send your questions to kl_help@lists.upenn.edu.
